

The Sagamore Hills Police Department will share information with the Township's residents through "Nixle."

Sign up for Nixle and stay up-to-date with what's going on in Sagamore Hills.

- Nixle is a community information service provider built exclusively to provide secure and reliable communications.
- It is the first authenticated and secure service that connects municipal agencies and community organizations to residents in real time, delivering information to geographically targeted consumers over their cell phones (via text messages), through e-mails and via Web access. Nixle has secured a partnership with Nlets (the International Justice and Public Safety Network), allowing local police departments nationwide to send immediate alerts and advisories.
- Privately funded Nixle, which has offices in New Jersey and California, is free to all governments, their agencies and organizations, nongovernmental organizations and consumers. For more information, visit www.nixle.com.
